

Essential Learning Recovery Courses

The following on-line courses have been reviewed by the Recovery Implementation Subcommittee of the Mental Hygiene Administration/Transformation Project's Recovery Committee, and are recommended for interested providers and consumers. For individuals who are not members of Essential Learning, there is a small cost.

A Culture Centered Approach to Recovery

Resilience and SPMI (Severe and Persistent Mental Illness)

Understanding Recovery

Illness Management and Recovery

Recovery and SPMI

Consumer Directed Behavioral Health Care

Coordinating Primary Care Needs of People with SMI (Severe Mental Illness)

Creating a Recovery Based Mental Health Program

Measuring Recovery, Promoting Competencies: In English and Spanish Speaking Populations

Psychosocial Rehabilitation and Recovery

Shifting to a Recovery Paradigm: Facilitating Change

Individuals can access these courses through Essential Learning at www.cequick.com or by going to www.essentiallearning.com and clicking on “Need CEU’s – Take a Course” on the left side of the website. These links will enable individuals to purchase courses on a course by course basis. This will require that the individual have a credit card.

Agencies that do not have their own Essential Learning organizational training site but still wish to bulk purchase courses for their staff can contact Essential Learning to make those arrangements at support@essentiallearning.com.

Agencies that currently use Essential Learning will find these courses in their training site and can search by Title listed above.

If you have questions about accessing the courses please use the support@essentiallearning.com e-mail address, or contact Carole Frank at 410 402-8469.
