

Volunteers Are Needed

Too often we under-estimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. **We are in need of a network of volunteers to be utilized for focus groups, committees, panels and expertise in telling their recovery stories and other endeavors as needed.**

Consumer volunteers are needed to join the ***Maryland Consumer Volunteer Network***, established within the Office of Consumer Affairs. If you are a board member, WRAP facilitator or volunteer in your community please join to be **recognized for your tireless work in your organizations and to network with other volunteers on a regular basis to become a part of the recovery efforts in Maryland. Out of this outreach we may move toward training, funding and/or employment as we progress in unison.**
